THE OPERATING LAYER

Signal in. Seller action out. Revenue proof returned to CRM.

HOW IT WORKS

From signal to closed revenue in three steps.

<p>01</p> <p>DETECT & SCORE</p> <p>Find the accounts ready to buy.</p> <p>250,000+ public-domain sources read nightly. Every TAM account ranked on fit and intent against your ICP.</p>	<p>02</p> <p>BRIEF & REACH</p> <p>Walk in prepared, reach out personally.</p> <p>Buyer briefs explain why now, why them, why you. Drafted outreach across phone, email, and LinkedIn. Human-approved before send.</p>	<p>03</p> <p>CAPTURE & PROVE</p> <p>Turn meetings into closed-loop revenue.</p> <p>Live capture writes next steps and activity back to CRM. Every closed-won deal traced to the originating signal.</p>
