

## **Jesús Rafael Soto's *Pénétrable* Makes Historic Appearance In London**

One of the most celebrated works by internationally renowned Venezuelan kinetic artist **Jesús Rafael Soto** is being presented outdoors in the UK for the first time at London's prestigious Serpentine Galleries. *Art in the Park* summer programme is now open to the public with the installation of ***Pénétrable BBL Jaune***, on view through October 25. "For [Britannia Financial Group](#) and our family, it is a privilege to help bring one of Jesús Soto's most emblematic works to London for its first major public presentation in the UK," said Melanie de Herrera Velutini, Director of [ORBE Consultants](#) and head of Britannia's artistic and cultural strategy.
