

NATIONAL HONOR SOCIETY

EXCEL HIGH SCHOOL CHAPTER

Excel High School is proud to announce its first virtual club and the newest members of the **National Honor Society** — students recognized for outstanding scholarship, service, leadership, and character. This year's inductees come from every corner of the world, spanning three grade levels and representing depth of talent across our school. We applaud these students as they lead and serve in their physical community as well as our online school community! We look forward to the opportunities ahead and congratulate each and every one of them!
