Founded by filmmakers Seth Rogen and Lauren Miller Rogen, Hilarity for Charity (HFC) is a national non-profit on a mission to care for families impacted by Alzheimer's disease, activate the next generation of Alzheimer's advocates, and be a leader in brain health research and education.

The HFC Associates group is composed of passionate, enthusiastic young people who are helping HFC change the trajectory of Alzheimer's disease! Now in their third year of operations, the Associates are generating awareness, raising funds to support families impacted by Alzheimer's and dementia, and elevating the conversation about brain healthy living.
