

FOR IMMEDIATE RELEASE

Ghostwood Whiskey Introduces 3 Brothers Bourbon, a Six-Year, High-Rye, Three-Grain Bourbon Inspired by Family Traditions

BOZEMAN, Montana (October 6, 2026) – [Ghostwood Whiskey](#), the award-winning Montana whiskey brand whose Original Blended Bourbon won Double Gold at the San Francisco World Spirits Competition in 2023 and 2024, is introducing Ghostwood 3 Brothers Bourbon, a six-year-old, premium three-grain, high-rye bourbon inspired by founder Lucas Perks' memories of spending nights outdoors around the campfire with his two brothers.

The new 3 Brothers Bourbon is the fourth whiskey in Ghostwood's core portfolio and offers an accessible introduction to the brand at a suggested retail price of \$49 per 750ml bottle. The bourbon is [available for purchase online](#) with shipping to eligible states and will be available beginning in October at select Texas retailers.

"Some of my favorite memories with my brothers are the simple ones: getting away into the woods, sitting around a fire, telling ghost stories, and enjoying being together among the trees," said Lucas Perks, Ghostwood Whiskey founder. "That is the spirit behind 3 Brothers Bourbon. We wanted to make an unpretentious, authentic, and approachable American bourbon meant to be opened, shared, and enjoyed with the people who matter to you."

Ghostwood Whiskey 3 Brothers Bourbon

[3 Brothers Bourbon](#) is distilled in Indiana with a traditional three-grain mash bill of 60% corn, 36% rye and 4% malted barley. Aged six years in new American oak with a No. 4 char and bottled at 80 proof by Ghostwood Distilling Co. in Columbia, Illinois, the bourbon pays tribute to the three brothers whose adventures helped inspire Ghostwood, with its release coinciding with all three brothers coming together to join the family business.

The expression also represents a return to the roots of the Ghostwood Whiskey story, highlighting three of the original four grains that formed the foundation of the brand's flagship whiskey. Wheat was the final grain introduced in Ghostwood's whiskey-making journey, eventually contributing to the creation of its first signature expression. Made without wheat, 3 Brothers Bourbon offers a look back at the beginning of that journey and the family story that helped shape Ghostwood.

Ghostwood Whiskey master blender, Lucas Perks, selected a higher rye mash bill to bring Ghostwood's signature touch of spice and character to the bourbon. The result is a rich, balanced, and approachable whiskey with an unmistakably American bourbon profile.

G H O S T W O O D

Dark amber in color, Ghostwood 3 Brothers Bourbon opens with heavy aromas of caramel, creamy vanilla, cocoa, chocolate, and roasted nuts. The palate is dominated by notes of caramel and vanilla, with added complexity from hints of cocoa, dark chocolate, and subtle smoke. Its finish is warm, dry, and uniquely smooth.

3 Brothers Bourbon is presented in a traditional clear bottle, distinguishing it from Ghostwood Whiskey's signature black-glass whiskey portfolio while retaining the brand's familiar label design and distinctive cork topper.

"3 Brothers Bourbon gives us an opportunity to introduce Ghostwood Whiskey to more whiskey drinkers while staying true to what the brand is about: family, craftsmanship, adventure, and whiskey worth sharing," said Lachlan Perks. "It brings a rye-forward character to the portfolio in a bourbon that is equally at home around a campfire, shared among friends, or simply poured at the end of the day."

Ghostwood 3 Brothers Bourbon joins Ghostwood Original Blended Bourbon Whiskey, Ghostwood Barrel Proof "Black" Blended Bourbon Whiskey, and Ghostwood Blended Bourbon "Gold" finished in Chardonnay Casks in the brand's core whiskey portfolio.

About Ghostwood Whiskey

Ghostwood Whiskey is grounded in values: craftsmanship, heritage, family, and the timeless stories shared around a fire. Founder and Master Blender Lucas Perks drew inspiration for the brand from camping trips, where nights around campfires sparked a fascination with the stories, legends, and mysteries that exist just beyond the glow of the fire. Ghostwood Whiskey brings that spirit of exploration to a collection of American whiskeys created to be opened, shared, and enjoyed together.
