Original Music

Composed and written by James Taylor, Heartlake: The Musical brings four original songs to all LEGO and LEGO Friends fans.

- **"Better Dancing Alone"** – Daisy, our protagonist, sings an emotional song about the freedom she feels creating with LEGO bricks. This ultimately brings her to Heartlake City, the vibrant, whimsical world she built herself.
 - Written by: Paul Becker, George Kostouros & Brandt Parks
 - Produced by: James A. Taylor, George Kostouros, Brandt Parks & Paul Becker
- **"Heartlake Glow"** – The LEGO Friends cast sings and dances to this catchy tune at The Unicorn Cafe as they explain to Daisy the legend of Old Man Heart, and why they are fighting to save the Tree House.
 - Written by: Alex Marshall
 - Produced by: James A. Taylor & Alex Marshall
- **"Why Waste a Wish"**– In this ballad, Daisy and Leo take a boat ride around Heartlake City as they sing about the heart of the musical and their special bond of friendship.
 - Written by: Charlie Watson
 - Orchestrated by: Ben Morales Frost
 - Produced by: James A. Taylor & Charlie Watson
- **"Chase the Stars"** – In this uplifting dance anthem, Daisy and Paisley come together to sing a powerful duet as the LEGO Friends crew rally to save the Tree House from being torn down.
 - Written by: Charlie Watson & George Kostouros
 - Produced by: James A. Taylor, Charlie Watson & George Kostouros

About the LEGO Group

The LEGO Group's mission is to inspire and develop the builders of tomorrow through the power of play. The LEGO System in Play, with its foundation in LEGO bricks, allows children and fans to build and rebuild anything they can imagine.

The LEGO Group was founded in Billund, Denmark in 1932 by Ole Kirk Kristiansen, its name derived from the two Danish words LEg GOdt, which mean "Play Well". Today, the LEGO Group remains a family-owned company headquartered in Billund. However, its products are now sold in more than 120 countries worldwide.

For more news from the LEGO Group, information about our financial performance and responsibility engagement, please visit www.LEGO.com/aboutus.
